Dear Member,

BBKA have made an arrangement with Booker Cash & Carry the we, as members of NBKA, can buy sugar in 25 kilo bags at wholesale prices.

There is a procedure to follow and we ask that you strictly follow this so that we do not lose this privilege.

The procedure is:- you take your current BBKA membership card to your nearest Booker Warehouse ( see below for Norwich address), you **WILL NOT** be able to register without this, and complete a registration form as below:

Your name

Business: Norfolk Beekeepers Ass.

Your home address

You will then be given a temporary card which has a very long registration number, do not lose it as you will not be able to gain entry without it, it has to be presented each time you visit. You will be allowed to buy your sugar at this first visit with this card ( a permanent card will be sent to you at a later date) and payment can be made in cash, cheque or credit card. There is no limit on the number of bags you can buy.

When you have got your sugar proceed to the checkout point where they will ask for your registration card to produce an invoice for you to pay before you leave.

The Booker Cash & Carry in Norwich is on Liberator Road, on the Norwich Airport Industrial Estate, the price for 25kg bags is considerably cheaper than Super Markets. ( as at 13<sup>th</sup> July it was £13.49 for 25kg, about 54p kg. The price can fluctuate)There are also Booker Cash & Carry Warehouses in Gt. Yarmouth and Holt , see your local Yellow pages under Cash & Carry for details.

As mentioned above please follow this procedure as we do not want to lose this privilege as obviously there is a considerable saving in buying sugar in this way.

Graham Ford, Treasurer.
