

**An Introduction to Beekeeping by Norfolk Beekeepers' Association
At Easton & Otley College Near Norwich on 16th July 2017**

Have you ever thought about keeping honeybees but didn't know where to start? Well we can help you to see if it is the hobby for you.

The Norfolk Beekeepers Association are holding a Morning Workshop from 9.30 until 13.00 aimed specifically at those who are interested in keeping honeybees and wish to know a little more about what is involved in beekeeping and about honeybees.

The morning will start with a "Powerpoint" presentation and talk about the honeybee and its activities. After this we shall have a coffee break during which you will have the opportunity to see various items of beekeeping equipment, talk to beekeepers and ask them any questions. We will then, weather permitting, move to the Easton College apiary where we shall open beehives and you will be able to get a close up of bees at work. Suitable veils etc. will be provided.

The Cost (which includes a useful information booklet): **£5.00**

There are limited places available on the workshop, so book soon to avoid disappointment.

Please complete the form below and send to the address shown with the, non-refundable, reservation fee of £5.00 per person. We will contact you closer to the date. If you have an email address, please tell us as this makes communication much quicker and easier for us to keep you up-to-date with the event.

Please send a cheque payable to **Norfolk Beekeepers Association (NBKA)** along with the form below to: **NBKA c/o 21 Ashdown, Taverham, Norwich NR8 6UF**
